How to Use this Book

Family Devotions

Read and/or sing the words together and explain what the verses mean. Look up the scripture references together and read them out loud. Pray and thank God for His gospel message & coming to earth as a baby.

Sing-A-Long On the Go

Keep a copy in the car or print individual songs and tape to the back seats. Learn songs together as you drive. Visit bit.ly/XmasWorshipsongs to download from iTunes and save to your playlist.

Christmas Performance

Use as pre-packaged Christmas program material for your children's choir! Send parents to the Practical Family link to purchase & download for their child to practice for the upcoming performance. Have devotions with your group at the end of each rehearsal; have them look up scripture and pray together, reminding them of the reason why we sing about the birth of Christ.
